Money raised from this event goes directly to the Pepper Foundation who provide specialist nursing care for children with life-limiting conditions in their own home and support to their families, 24 hours a day, 365 days a year. The Pepper Children's nurse ensures that a child's life, no matter how short, is made as comfortable and happy as possible.

Please be assured that any support you give will make a difference to our patients and to their families.

Everyone gives their time for free.
